

# 1084 PARMA WAY LOS ALTOS

Located in gorgeous Los Altos just moments from downtown is this stunning 5-bedroom plus bonus room, 3.5-bathroom home. Finished beautifully, this 2-story gem features oak hardwood flooring, recessed lighting, brand-new paint, and crown and baseboard molding throughout. The large, light-filled kitchen is a chef's delight with bull nose granite countertops, cherry wood cabinetry, stainless steel Kitchen Aid appliances, a walk in pantry, and a center island with a 5-burner stovetop. Upstairs, the grand master bedroom suite, with its plush cream-colored carpeting, is the perfect retreat at the end of the day.

The master bathroom includes a spectacular walk-in closet, plus marble flooring, dual countertops each with its own sink, a deep jetted tub overlooking the rear yard, and a shower behind sliding glass doors. ▶

Outside, the beautifully landscaped rear yard features a slate-tile deck, built-in outdoor grill, pool with removable safety fence, fire pit with brick surround, and a play area. Rounding out the appeal of the home is its excellent location in Central Los Altos, within close proximity to Rancho San Antonio Open Space Preserve, Los Altos Golf & Country Club, McKenzie Park, and major commute thoroughfares.

*Offered at \$3,195,000*

## DETAILS OF THE HOME

- 5 bedrooms plus bonus room and 3.5 bathrooms
- A meticulously manicured front yard is a welcoming introduction to the home with paver stone walkways leading to the porch
- Entering through the red front door, the foyer features a 20+ foot ceiling, which provides a wealth of natural light with an arched window at the top
- The sitting room, just off the foyer, features brand-new deep red paint with white trim, a low-hanging chandelier in the center of the room, and a window with wood slat blinds overlooking the front yard
- The kitchen includes a granite-topped center island with 5-burner stovetop, top-notch stainless steel KitchenAid appliances plus and a wood-paneled refrigerator/freezer, and dual ovens with a warming drawer; hardwood flooring, crown and baseboard molding, bull-nose granite countertops, and an abundance of cherry wood cabinetry complete the amenities
- Located off the kitchen and also accessed from the rear yard is the laundry room with granite countertops and the halfbathroom, which includes a Kohler sink and commode
- The dining room is open and airy with a number of windows and includes a bar looking into the kitchen, hardwood floors, crown and baseboard molding, and sliding glass doors leading to the rear yard
- Separating the dining and family rooms is a gas fireplace with a wrap-around mantel and granite surround; the family room is a light-filled space with sliding glass doors leading to the rear yard plus a large picture window overlooking the pool; hardwood flooring, recessed lighting, crown and baseboard molding, and surround sound speakers wrap up the features of the room
- A hallway just off the entrance leads to the lower-level living areas and features hardwood flooring, baseboard molding, recessed lighting, and a hall closet, perfect for storage
- Bedrooms 1 and 2 are both large and light-filled and include hardwood flooring, brand-new paint and baseboard molding, closets with wardrobe pole, shelves, and excess storage space, and windows looking out to the front and side yards; bedroom 1 includes recessed lighting while bedroom 2 has a center light fixture
- Bathroom 1 is shared by bedrooms 1 and 2 and includes tile flooring and countertops, baseboard molding, and dual sinks with chrome fixtures; a separate door leads to the tub with tile surround, commode, and shower behind glass doors
- Bedroom 3 suite, in the back of the house, is large and includes sliding glass doors to the rear yard and large closet behind three sliding doors; hardwood flooring, baseboard molding, and a center light fixture round out the amenities; the bathroom features granite tile flooring and countertop, a single sink and a tile shower behind sliding glass doors
- The hardwood staircase leads up to the upper level where a large sitting area with closets and cream-colored carpeting is perfect for a nursery or play area
- Bedroom 4 has cream-colored carpeting, blue paint with white baseboard molding, two windows looking out to the front and side yards, a center light fixture, built-in drawers, and a closet with built-in shelves
- The bonus room is similar to bedroom 4, but has red paint on the walls, recessed lighting, and does not include a closet
- The enormous master bedroom suite is the perfect retreat at the end of the day, with plush cream-colored carpeting, three large windows leading to the side and rear yards, dark-beige new paint on the walls, recessed lighting, and baseboard molding; the master bathroom is a sanctuary of relaxation surrounded in marble; a grand walk-in closet separates dual marble countertops, each with its own sink; the closet includes built-in shelves, numerous wardrobe poles, plus cabinet and drawer space; a deep jetted tub with marble surround and wood base sits underneath a window overlooking the rear yard and a shower behind sliding glass doors features dual showerheads; rounding out the amenities is a separate room with a Toto commode and a small window to the side yard
- The rear yard is a lush, beautifully landscaped oasis anchored by a built-in swimming pool with removable safety fence; surrounding the pool is a slate tile deck featuring a fire pit with brick surround; a built-in barbecue area with an outdoor grill, surround sound speakers, and a large grassy area leading to a children's play area provides the perfect opportunity for hosting parties in the summertime
